January 2009

Dear Business Owner:

The Nicollet East Harriet Business Association (NEHBA) is 3 1/2 years old. Almost 60 business owners became members of NEHBA in this first year of paid membership! Thank you for your support.

It is that time of year to pay NEHBA membership dues for 2009.

NEHBA is one of the newest business associations in the City of Minneapolis. Even so, it has already had a significant impact on the businesses within the association boundaries.

Accomplishments and Service (a partial list):

- Made \$50,000 of city money available to our business community by seeking and being selected to be part of the Great Streets Business Façade Improvement Program (still active)
- Developed a unique online business directory and community calendar (www.experiencesouthwest.com) benefiting both residents and businesses alike
- Served as a lead partner in the development of a “Shop Local” campaign
- Identified and tracked issues important to local businesses
- Providing advocacy and staff support for our area business community on city and county level issues
- Orchestrated collaborative relationships with neighborhood and business organizations
- Held informative presentations at our monthly meetings
- Extended our boundaries to provide representation to the 48 & Nicollet and 48 & Grand neighborhood business nodes

Please join your fellow business owners in this effort to connect with each other and to support and promote our local economy. **Your 2009 dues benefit not only your business but our community as a whole.** It is your financial support, through NEHBA dues, that allows us to collectively better our businesses and our community.

Attached is the 2009 Nicollet-East Harriet Business Association (NEHBA) membership registration form. Please return it with your 2009 dues.

Sincerely,

Matt Perry, NEHBA President

PS. Please join us for our Annual Meeting and Board Elections on Wednesday, Jan. 21st at Frame Ups at 4325 Nicollet Ave. at 7 PM.
